- Membership is awarded on a first come first basis and any applications received after meeting the 150 available will be placed on a waiting list.
- Membership entitles you to **one visit per week**
- Membership is restricted to one per household; proof you live there must be provided e.g. utility bill
- Membership is **£2.50 per week**, you can pay by cash or standing order. Please ask if you'd like help with setting up a bank account.
- Your Local Pantry reserves the right to cancel or refuse your membership. Examples include

 - You are found to be abusive towards the pantry's volunteer or customers
- If membership is cancelled due to non-attendance you can reapply but may be placed on a waiting list.

- Membership is for Stockport residents who meet the criteria and live in the catchment area of a pantry. To find out where your nearest pantry is, please check on the pantry website **www.stockporthomes.org/pantry** or ring **0161 474 4760**

Using the pantry

- Members must **show their membership card and receipt of payment** to the pantry shop assistant; members paying by Standing Order will be able to collect receipts from the Pantry itself.
- To comply with food safety regulations stipulated by the pantry's suppliers you **must bring and use the provided freezer bags**. Failure to do so will prevent you from accessing your weekly pantry shop.
- Members must also **provide an up-to-date temperature reading** from their fridge and freezer (using the provided thermometers). For food to be supplied fridges must read a temperature of between 2C to 4C and freezers must measure between -18C to -23C
- Items available may vary from week to week due to the different suppliers the pantry uses.
- To ensure that members get a fair share of the stock available, we may limit some to allow for one per customer.
- There is no guaranteed availability of any item week from week.

Food information

- If you suffer from food allergies or intolerances and are unsure about the ingredients in a product. Please ask one of our trained members of staff for further information.
- Your Local Pantry may receive some food products that come without labelling, however in these cases the pantry will provide a list of ingredients on a separate ingredients sheet. Should you not receive one of these, please ask a pantry volunteer.
- Your Local Pantry may also stock items which have passed their best before date. Best Before dates are about quality, not safety. When this date has passed, it doesn't mean that the food will be harmful, but it might begin to lose its flavour or texture. These items will be clearly marked.

I have read and understood the above terms and conditions.
